Thinking Faith TF62: The Eucharist Part Two - Meal and Sacrifice

This week Eric and Brett continue the discussion of the theology behind the sacrament of the Eucharist for Catechists and parents. They'll look at the Eucharist as a meal and as a sacrifice and talk about

why it's important not to emphasize one over the other and how, each can actually help us understand the Eucharist in new ways. Hope you're hungry because we've got a feast for you on this week's Thinking Faith!

Stewardship Bulletin Bit

"...whatever you did for one of the least of my brothers, you did for me" - Matthew 25:40

Most of us are generous when it's convenient for us. We are generous when we have the time or the money. But, generosity is the opposite of that. It means giving of one's time, money, compassion, forgiveness or mercy when it's not convenient; when it's not on our schedule, but on the other person's schedule.
