## Young Adult Small Groups

Come together around a shared interest (jogging, relationship enrichment, hiking, board games, learning to pray and more!) to meet new people and grow in faith. The Office of Youth and Young Adult Ministry will be launching a new round of young adult small groups in mid April. Registration opens on Monday, March 29th at <https://archregina.sk.ca/youth-ministry/young-adult-small-groups> Join us!

## My Gen Rally Update

March is always the month that our diocesan young church comes together to celebrate the "My Gen" Youth Rally. This year, My Gen will happen on Saturday May 29th and will be a hybrid of a live streamed event AND a gathered (in person) event at multiple host sites around the diocese. We are looking for communities interested in hosting approx. 15 young people and leaders at their parish facilities and grounds. The My Gen committee will provide leadership support for all rally sites. As always, all of these plans are contingent on health guidelines at that time. If your parish is interested in being a rally host site, please contact the Office of Youth and Young Adult Ministry for further information. ## LAURC Covenant Study

You are invited to join a discussion about the new LAURC Covenant between the Lutheran, Anglican, Ukrainian Catholic, and Roman Catholic churches in Saskatchewan. What is a covenant? Does this mean that we are becoming one church? What will change because of the covenant? What should change? These and other questions will be explored Monday evenings, 7pm, on April 12, 19, and 26th with Nick Jesson and members of the LAURC Covenant Committee.

This online discussion is open to all but is especially directed to clergy and parish ecumenical representatives of the four covenant churches.

## TF239: Middle Earth, Magisterium and Modernity - Part 3

Guest Fredric Heidemann discusses his written work with Word on Fire ministries on Modernity and secular humanism and the pitfalls inherent in breaking with a Judeo-Christian worldview. **Show Snippet:** "You're assuming all sorts of things about the moral life. You're assuming that morals can be properly grounded, which of course, as we discussed earlier, you can't really do from an atheistic perspective, you're assuming that there's free will, which pop-atheists deny...all these things and its like, this is what makes us fundamentally human, but they're just utterly ungrounded in that 'detached from religion' universe." ### Stewardship Bulletin Bit

*"The community of believers was of one heart and mind, and no one claimed that any of his possessions was his own..." - Acts 4:32*

All that we are and all that we have is a gift from God! Think of your family, your friends, your life, your talents and your money – these are all gifts from God! We aren't really owners of anything, we are merely "stewards" of the gifts God has blessed us with. We are called to be grateful and generous with all of our gifts for the benefit of others.
